ABOUT ME

I'm a Second Year BSc Computer Science student who codes for fun and growth. Every new program I write feels like an investment sometimes risky, but always rewarding when it runs beyond expectations. Debugging is my challenge zone; if I don't find the error, it finds me and that's what sharpens my skills. I enjoy exploring the logic behind code and constantly learning something new with each project.

EDUCATION

Mithibai College (Autonomous)

SYBsc Computer Science

2023-2025

Mithibai College (Autonomous)

HSC - Science

2021-2022

Our Lady of Dolour's High School

SSC

2010-2020

SKILLS

- Python
- SQL
- Web Design
- Data Structure
- Portfolio Management
- Stock Management
- Option Chain
- Technical Analysis
- Fundamental Analysis
- Digital Marketing
- Public Relation
- Basic Graphic
- Logo Designing
- UI/UX

WORK EXPERIENCE

CODEXINTERN Internship

Nov 2024 – Nov 2024

Completed a 25-day virtual internship in Python Development at CodeXIntern, where I gained practical experience by working on real-world projects. During the internship, I enhanced my programming skills in Python and collaborated closely with mentors and peers. I utilized libraries such as TextBlob for natural language processing and BeautifulSoup for web scraping to develop a project focused on data extraction and sentiment analysis. This experience strengthened my problem-solving abilities and deepened my understanding of Python's capabilities in data handling and automation.

Mithibai TeachSpark (Vice Chariperson)

Dec 2024 – Feb 2025

- **Marketing:** Convinced more than 10 brands to sponsor our fest within 1.5 months, resulting in over 15,000+ footfall.
- **Public Relation:** More than 150 students participated in 12 events, including technical, sports, and cultural activities.

Department of Lifelong Learning and Extension University of Mumbai (Head Of Department Marketing & PR)

Aug 2024 – Mar 2025

Designed over 50 posters for Mithibai DLLE and actively contributed to organizing more than 30 social welfare activities. Also served as a part of the NAAC grading team during the college's NAAC evaluation visit in 2024, assisting with preparations and coordination throughout the process.
